Dear applicant,

Enclosed please find a **stadium vendor site allocation** form. Mark your site preferences from 1 to 30 on this form. If you are selected we will issue you location based upon this list. If you are not willing to accept certain booths do not place a number on the form next to that location.

We will not assign any locations to applicants who did not return this form.

Very truly,

Pasquale V. LoPatriello  
Executive Assistant
